Reinventing the City

19 September - 11 October 2009
Venues across NewcastleGateshead

Reinventing the City was a one-off festival across NewcastleGateshead during September and October 2009.

Cultural venues in Newcastle and Gateshead staged events, tours, debates and exhibitions that explored Tyneside's re-imagination of itself through 200 years of industrial and post-industrial change.

As part of Reinventing the City local people were invited to submit their own photographs that reflected the spirit of NewcastleGateshead to an online photographic exhibition on Flickr.

This calendar includes the twelve images that were chosen from over hundreds of entries.
