CREATIVITY AND WELLBEING WEEK

10-16 JUNE 2019

**Are you or your organisation
planning an event or activity related
to culture, health and wellbeing for
Creativity and Wellbeing week?**

As a founding member of the Culture, Health and Wellbeing Alliance, Tyne & Wear Archives & Museums is promoting regional events and activities happening throughout Creativity and Wellbeing week.

We are inviting organisations to share their events and activities so we can advocate together the benefits of cultural engagement and participation to people's health and wellbeing. A printed programme brochure, and a digital version will feature events taking place in Tyneside, Sunderland and Northumberland.

Events taking place across the wider North East region can be listed on the following websites: www.culturehealthandwellbeing.org.uk and www.creativityandwellbeing.org.uk

The Culture, Health and Wellbeing Alliance is a new organisation that brings together arts, heritage, museums, galleries with health and wellbeing organisations, facilitators, workers and professionals, it represents everyone who believes that cultural engagement and participation can transform our health and wellbeing.

If you have an event or activity you would like us to consider please email with the following information.
